Internships

Machine Learning[smartKnower]⧉   2022-02 to 2022-03

I have completed my Machine Learning Internship from smartknower.

Projects

Handwritten Digital Recognition using CNN⧉

The goal of my work is to create a model that will be able to identify anddetermine the handwritten digit from its image with better accuracy. My aim is tocomplete this by using the concepts of "Convolutional Neural Network" in DeepLearning.
